Mamesh Music Lessons Parent Agreement Form

Lessons:

Mamesh Music offers weekly private music lessons in specific half hour or one hour time slots. The lessons take place at 1385 Carroll Street, Brooklyn, NY. The Day and Time for the weekly lessons are fixed at registration. Lessons take place every week except for those days noted on the online calendar online (usually only Yom Tov, and fast days).

Payments:

Payments are set up as automatic recurring charges to your credit or debit card. The cost is \$50 per 30 minute lesson (or \$75 per 45 minute lesson). Payments are processed weekly for that week’s lesson. Any forwarded credits or past due amounts are included in calculating the weekly charge. An invoice will be emailed to you when your card is charged. When you sign up, the first lesson will be charged in advance.

Cancellations and Snow Days:

In the event that a teacher cannot attend a lesson for any reason, Mamesh Music will attempt to provide a substitute teacher. If a substitute teacher is unavailable, Mamesh Music will notify you of the canceled lesson as soon as possible and credit your account.

Missed Lessons & Make up Policy

Payments for lessons are for the teacher and room in Mamesh Music at the allotted time slot, regardless of attendance. If a student cannot attend a lesson, they will still be charged for the missed lesson, regardless of the reason or notice given.

If 24 hour notice is given, then a makeup can be arranged, or the lesson may be canceled if preferred. If less than 24 hours is provided, another arrangement may be able to be made for that time slot. For example, a FaceTime/Skype lesson can be arranged in the allotted time slot. The lesson time can also be assigned to a sibling or friend if possible. Alternatively, a short video lesson may be sent by the teacher. Only one lesson per month may be canceled (with 24 hours notice).

Discontinuing Lessons:

To discontinue lessons and stop your card from being charged, written notification must be sent to the office or emailed at least one week prior to the last lesson.

Mamesh Music operates all year round and does not close for the summer. If you do not plan on attending classes during the summer, or part of the summer, please make sure to withdraw at least one week prior. We will send out a reminder as that time approaches. Discontinuing lessons results in the time slot being made open to others.

Safety Policies:

- Parents/mature siblings are always allowed to sit in during lessons. Videoing/recording the lessons are permitted only with the teacher’s explicit permission.
- There are windows in all rooms at Mamesh Music so lessons can be observed at any time.
- There are security cameras monitoring all rooms in Mamesh Music at all times.
- Mamesh Music is not responsible for your child or his/her property outside of class time.

By signing below, I agree to all the above points. I agree to allow Mamesh Music to charge my card as outlined above, until written notification to withdraw is submitted to Mamesh Music.
